## A Message from the Principal

"South Side PRIDE Each and Every Day! We are so fortunate for this newsletter to be able to share a sample of the amazing things occurring at Marion-Franklin High School. There is nothing that makes a parent or staff member happier than seeing students perform to their full potential. I invite everyone to take a moment to appreciate the wonderful displays of excellence of our students. Go Red Devils!" - Lucas M. Cech

Grade 10  
" Our softball and volleyball games have been our favorite" - Heaven Kise & Rachel Jared

Grade 11  
"When I ran my first track meet at Marion Franklin High School it was the best thing ever" - Shan'Teira Pittman

## Community Service

The Marion-Franklin Garden Club started last year in the 2017-2018 school year.

Students learn how to build hydroponic tables from materials available at home stores. The tables then are used to grow lettuce. The lettuce is used to feed the hungry and homeless in Columbus's south end.

There is absolutely no cost in becoming a Garden Club member. All members are allowed to take any plant or food home for free. Students are able to earn up to 60 hours this spring semester. The hours could go towards graduation.

MFHS Garden club in action! Riley Helms and Kaleemah Muhammad
